

Farm Animals and Crops

OLD HOUSE: This early log home, built of poplar logs, stood near the Clarksville Highway in 1955. (Print from A Vanishing Era by Jack Knox)

1. Tell how certain crops and animals helped to make pioneer farmers self sufficient.

2. Farm animals were important to the families who first settled in Tennessee. List some of the animals and tell why they were needed.

Animal	Needed Because

3. What improvements eventually made life easier for farm families?

4. Write two questions that you would like to ask a girl or boy who lives on a Tennessee farm.
